

Bakery Line Single

Neutral

Product description

Bakery Line Single is manufactured for the distribution of cold or hot bakery products. The box is made according to the standard dimensions of bakery trays. The box is designed with ScanBox ExP construction that combines optimized insulation performance with high operational reliability and environmentally conscious choices.

The box can be pre-cooled in refrigerated rooms. Extend chilled storage time with integrated eutectic plate holder for further temperature retention. ScanBox Bakery Line Single is available in several

sizes with a capacity of up to 10 trays. ScanBox Bakery Line Single has capacity for 12 baking trays according to the standard dimensions of 400x600 or 450x600.

Equipped with excenter lock, solid door, 160 mm lockable wheels, removable 'L' shaped runners in the tech spec with 100 mm spacing, black RAL 9005, as standard. The equipment can be easily adapted as required through available extra options.
