

Ergo Line Single Neutral

Neutral

Product description

Ergo Line Single is made to hold and transport hot and cold food safely and easily. The box is designed with ScanBox ExP construction that combines optimized insulation performance with high operational reliability and environmentally conscious choices.

The box can be pre-cooled in refrigerated rooms. Extend storage by easily retrofitting runners for eutectic plate for further temperature retention.

ScanBox Ergo Line is available in several sizes with a capacity of up to 14 containers in the GN 1/1 standard.

Equipped with stainless steel chassis, excenter lock, solid door, 160 mm lockable wheels, removable U-guide rails with 80 mm spacing, black RAL 9005, as standard. The equipment can be easily adapted as required through available extra options.
